À LA Maison and The Arbor Day Foundation Present Free Tree Seedlings

Posted: March 8, 2010 02:09 PM

À LA Maison, a nonprofit hurricane recovery organization dedicated to rebuilding communities and regreening Louisiana, will offer free tree seedlings at various South Louisiana locations throughout March.

The trees were a donation from The Arbor Day Foundation and include live oak, red oak, red maple and bald cypress, all trees native to Louisiana and hardy trees that withstand hurricanes. The Arbor Day Foundation booklets on how to plant and grow these trees will be offered for free as well.

Seedlings vary from several inches to two feet long with roots. Now is the best time to plant trees so their roots will establish before the heat sets in.
